

CHENDHURAN COLLEGE OF ENGINEERING AND TECHNOLOGY

PILIVALAM (PO), THIRUMAYAM (TK), PUDUKKOTTAI – 622 507.

EVALUATION BY STUDENTS

(Please mark the corresponding alphabet in brackets provided)

Sl. No	SUBJECT	Technical English -I	Mathematics	Engineering Physics -I	Engineering Chemistry-I	Computer Programming	Engineering Graphics
1	Utilization of Class hour						
	(a) Utilizes in planed way						
	(b) Exceeds the class hour						
	(c) Does not engage the class for the complete duration						
2	Audibility of Lectures						
	(a) Sufficiently Loud						
	(b) Too loud-tending to be unbearable						
	(c) Inaudible						
3	Way of subject matter presentation						
	(a) Good (Neat & Haphazard)						
	(b) Not bad						
	(c) Bad (Shoddy & Haphazard)						
4	Stress Give on difficult points(for backward students)						
	(a) Enough						
	(b) Too much						
	(c) Insufficient						
5	Rate of presentation of the subject						
	(a) Satisfactory						
	(b) Slow						
	(c) Fast						
6	Language (Vocabulary)						
	(a) At the level of students						
	(b) Too Powerful						
	(c) Too Poor						
7	Readiness to clarify doubts						
	(a) Very Much						
	(b) Not Much						
	(c) Nil						
8	Encourage given to questions by students						
	(a) Tries to answer when asked						
	(b) Tries to avoid questions						
	(c) Asks counter questions						
9	Continuity between one lecture and the next						
	(a) Always maintained						
	(b) Maintained at times						
	(c) Not at ll maintained
